The book definitively describes Puharich's extraordinary association with Harry Stone, a young sculptor of unusually acute extrasensory perception, who on various occasions went spontaneously into a deep trance state and then started writing in the ancient Egyptian language. I have more questions than when I started! Puharich, a graduate of the Northwest Medical School, an internal medicine physician, and the holder of many patents related to audiology, has devoted much of her life to the more scientific and less scientific investigation of paranormal claims. Cover Design by George Giusti (illustrator). New York Doubleday Inc. And yet, amid the clairvoyant claims over which too rested, this book offers some tidbits on the use of psychoactive mushrooms, particularly Agaric flying, throughout human history and across cultures. Identifying himself as Ra Ho Tep, a high-ranking Egyptian who lived 4,600 years ago, he called the long lost ritual of the sacred mushroom and its surprising effects on human consciousness. Garden City, Doubleday, 1959. In addition to recording these personal experiences, Dr. Puharich has written a brilliant summary of the role of the sacred mushroom in history, myth, and religious experience. During this period Dr. Puharich and his colleagues were actually guided to the discovery of a splendid specimen of the extremely rare Muscaria, which grows in the woods of Maine, less than a mile from their lab. Do not hesitate to ask for a detailed description. Page 3 Enter at least one of the author, title, ISBN, keyword or publisher to search for. His production, as exemplified by this book on muscaria manita, is irregular and, in my opinion, too glib.
